Dear Intake,

Yesterday, I paid for intercept fee for preemptive return of delivery at issue. If delivered, it is certainly against intent and fraudulent per previous assertions.

Additionally, while I am corresponding by this means, I need to address another matter: I, hereby, request, under F.O.I.A. (5 U.S.C.) and all applicable law of disclosure, all records exhaustively mentioning my person since 08111970 maintained by your field office. My purpose for request is discovery in my cases.

purpose for request is discovery in my cases, self-representing, and actions for recourse by redresses of grievances (per fundamental rights). Also, it is per my right to ensure faithfulness. For your certain information, I am, unashamedly, James Edward Horton with Social Security Number: 274-84-5382.

Furthermore, I request exhaustive provision without rationalizations by Kathy and Rodrigeous's conspiratorial intrigue with U.C.M.J. gang-related infracting colluders and such like Wilgus etc., stretching beyond doctrinal definitions and scopes concerning causes for sealing and clearance against presumptive rights at issue. By experience, this been an evincing, recurring, criminal pattern of obstruction in all of my matters I have been trying to resolve by recourses. Quite frankly, I am completely fed up with it. For example, Yoko County Court only illegally withholds causing causing delay by the procedural denials harassing.

In exigent circumstances, I am currently (by damages caused) without a mailing address. Therefore, I insist on accommodation of provision by email attachment means as imperative to my respective rights and to not obstruct.

Thank You
